

Naviate MEP & Fabrication 3.7

Installation Guide

General Notes

Uninstall Previous Version

It is recommended to uninstall the following installers. Search for these applications in your Add and Remove Programs.

- Naviate Core.MEP.Fabrication
- Naviate 2023 and Naviate 2024 MEP
- Naviate 2023 and Naviate 2024 Fabrication
- Naviate 2023 and Naviate 2024 Accelerate and Help

The screenshot shows the Windows 'Apps > Installed apps' interface. A search bar at the top contains the text 'Naviate'. Below the search bar, there are filter and sort options: 'Filter by: All drives' and 'Sort by: Date installed'. The results section shows 13 apps found. The following table summarizes the highlighted applications:

Application Name	Version	Size
Naviate Core.MEP.Fabrication - V 3.7	3.7	499 MB
Naviate Accelerate 2022	22.1.8.829	331 MB
Naviate Accelerate 2023	23.1.12	243 MB
Naviate Cloud Manager - Beta v2.10.6.7	2.10.6.7	95.2 MB
Naviate Help 2022	22.1.8.829	314 MB
Naviate Help 2023	23.1.12	231 MB
Naviate MEP 2023	23.1.12	236 MB
Naviate Accelerate 2024	24.5.1	237 MB
Naviate Help 2024	24.5.1	226 MB
